Amendment A

Commissioner for Patents
Washington, District of Columbia 20231

Sir:

In response to the Office Action Letter mailed April 5, 2005, and Notice of Non-Compliant Amendment (37 CFR 1.121) mailed June 3, 2005, please amend the above application as follows:

Title: Change to –OIL PREHEATER FOR A MULTI OIL BURNER–

Abstract:

First sentence, change to: –A device and method of preheating oil for use in a multi oil burner that uses a heated liquid to convey heat energy to oil. –

Specification:

Paragraph 0065 was split into two in the first sentence. Please reconnect paragraph 0065 and 0066 resulting with the following completed paragraph: –
Assembly 100 can be installed into any fuel oil burner, such as the one shown in Fig. 7 manufactured by R.W. Beckett of Elyria, Ohio. Assembly 100 can be configured to work with many other manufacturers of oil burners or a custom burner could be fabricated.
